

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing about the FCC's proposal to allow the use of cell phones on airplanes.

I am afraid that cell phone use would interfere with navigational instruments. I also think cell phone use in the cabin will only increase tension among passengers, it will compromise flight attendants' ability to maintain order in an emergency. Cell phone use could also enable terrorists to coordinate a plan of action more effectively.

Please leave the current rules in effect.

Sincerely,

Cynthia Pingleton
